Still raining in Hunts but success beckons

August saw 3 games washed out which simply isn't cricket but it also saw Waresley take great strides forward in cricketering terms.

The Sunday team, under the leadership of Laurence Boshier has had a brilliant, unbeaten season in the Beds County League 3. The boys have taken the division by storm and literally demolished everyone. Pride of place must go to this months battering of Sharnbrook where a club record 384 for 8 was notched up, winning the game by a huge 237 runs! Aussie import, Myles Cordeux fulfilled his batting promise in

spades with a colossal 152. He had 16 overs to spare when he was finally stumped so who knows - that club record could have gone!

The first team have also had unbridled success, sometimes coming rather hard and in the case of Castor, perhaps undeserved. But a run of 7 straight wins and now 8 wins and a draw out of the last 9 games have seen us go second needing only 7 points from 2 games to guarantee promotion. Foxton are 25 points ahead so probably just out of reach but Grant Flower... watch out Coley's after you again and he's not going to have you dropped in the slips again!

The second team have suffered with variable teams but still are holding well onto 5th place only a gnat's whisker from 4th after a great win against the leaders Old Eastonians.

Thank you must go to Terry Hatden for providing the pictures accompanying the Khalsa report so if anyone's unhappy - hit Terry.

Finally it's the Village Fete on Sunday so make a special trip to the club and help out, play some of the games, see the attractions and add to the community spirit. We need the cash to pay for things like an electronic scoreboard, new boiler, covers and so on so it's us that benefit from it.

As Blows was dropped for this game... surprise surprise there was no report. Sometimes I wonder how they actually hold their bats when I'm not there as they sure can't type a report!

Well, here goes again...

It looks from the scorecard as though Boshers and Whitfield

Chris Whitfield enjoying a joke for their success! Chris Asque

opened the bowling. Boshers got a couple and Whitty got 2. Well done both of them

must have bowled very well because he got 4 wickets.

B-J probably bowled OK - it looks like it was well tight because he only conceded 6 runs in 4 overs... mean!

B-J considers another tight over.

At the end of all these mighty feats of heroism and cricketing

ebullience Khalsa had a derisory 63. All of the Waresley players probably munched their sandwiches smugly thinking "look at them - they're crap!"

Batting looked really easy too. Even Myles got double figures and celebrated by posing

smoothly for this picture.

Myles Cordeux - at home in Vienna

When Myles tired of scoring so many runs he let Vince Winn and Steve Warman have a go.

It had rained earlier as well

and Khalsa's paltry score was reduced even further to just 43.

Steve Warman may or may not have hit the winning runs - it's

2nds vs Ufford Park - Holiday disappointment

by Jim Keys

With holiday season upon us, it had been a struggle to get a side together. Then it proved difficult to get them to Ufford. And the start time in the fixture card was wrong so all-in-all a good one to win.

Unfortunately Waresley dropped the Ufford skipper (and best bat) three times, the first two before he'd made too many, and he

went onto get 89, holding the Ufford innings together. Some of the Waresley bowling went around the park with Ufford making 274-7. Keys returned the best figures of 3-40 but Dean and Gillett bowled without luck.

Ian Hayden batted for 43 overs making an undefeated 58 in reply. Evans returned to form with 38 and Dean showed some lusty

hitting with 24 (in a partnership of 25 with Hayden!). Waresley were never in the hunt and finished on 189-7 losing by 85.

With two matches left it will be a mid-table finish for Waresley 2nds in Hunts League Division 2.

2nds vs St Ives - An odd sort of day!

by Jim Keys

We turned up at St Ives in good heart for a cup semi-final, only to be told that the groundsman didn't want us to play. This was following the previous attempt to play the game weeks before in pouring rain. So at the drop of a hat it was back to Waresley, pitch and teas were sorted very quickly and the game commenced.

Unfortunately we lost the toss and were invited to bat on a wet one. The batting was difficult early on and Waresley were soon at 33-3. Good contributions were made by Fensome 27, Whitfield 38 and a lusty 28 from Ellerbeck (including a 6 which ended half way up the tree in the bottom left corner of the ground). We hoped 168 in 36 overs was enough - it proved

not to be so.

Despite early wickets from Gillett and Whitfield, Withers, Rogers and young Biddle took the game beyond Waresley. St Ives reached their target in 28 overs just before the rain arrived. Young Biddle for St Ives scored 44 not out having taken 4-64 and was clearly man-of-the-match.

Waresley lost by 6 wickets

Ists vs Castor & Ailsworth - Cole wins the game in style

Waresley went to Castor on the tail end of six consecutive wins and not wanting to screw up at a tricky Castor pitch.

Castor, despite being in the relegation zone, were one of the three teams to inflict defeat on Waresley so far this season. So not only were Waresley keen to win for their promotion prospects, they also didn't want Castor to do the double.

Bowling first on an unreliable wicket Waresley expected to get wickets and quickly. However Vitas and Rogers put on a century partnership for the first wicket.

Whitfield especially at the start was guilty of being a little loose

and Boshier didn't get the pitch to help him despite tight figures of 6 overs for 13. Asque bowled an excellent and amazingly unlucky spell. He'll bowl a lot worse and get more wickets than in this fruitless spell.

Jay Sz wajbak came on to bowl and broke the opening partnership. He then bowled magnificently to take Waresley's Tucker team's best figures of the season of 6 for 36. It was only when he ran out the seventh wicket that messed up his ten wicket haul!

Castor's last 8 wickets fell for 45 runs but Waresley couldn't quite get the 10th wicket leaving only 20 points up for grabs with the batting.

Jay Sz wajbak after taking his fifth wicket

A reasonable start from Asque and Winn led to Simon Donald making his Tucker debut. A solid 19 showed that there will be a good future for Donald at this level. Castor's secret weapon was the incredibly slow bowling of Gray. He baffled Cordeux, Jay Sz wajbak and Winn, and half the batsmen ended up swearing about him!

At 118 for 8 all looked very bad for Waresley but cometh the hour cometh the men - Dan

Sz wajbak and skipper, Cole. Dan scored a great 40 and Cole mullered the winning runs over the top for four.

2nds vs Old Eastonians - Victory over leaders

We welcomed the leaders of the league to Waresley and put on possibly the best batting display of the season. Hayden I and Fensome shared a 60 opening stand, with Hayden I making 43. Then Greenfield and Reddy put on 105 for the third wicket, with Greenfield making 61 and Reddy 50 not out. Reddy's knock included stretching for the crease on a second run only to be hit on the top of his helmet by a throw from the boundary - good job he was wearing the helmet!

After tea it turned into a very close match. Hayden I turned into the new Nicholson with an interesting line in encouragement from behind the stumps; especially to brother Terry. Hayden T responded with excellent figures of 4-31 including main threat Pearson who scored 64 and was out only on the last ball, caught by Greenfield at long-on with Old Eastonians needing 6 to win from that last ball of the match.

There was excellent support

from Reddy 2-26 and Colebrook (1-25) removed the dangerous Slater. Keys and Gillett also kept things tight. Greenfield caught 3 catches.

Waresley won by 5 runs in a tight match which could have gone either way and went right to the last ball.

Thanks to PC Plod (Pete Colebrook) for keeping us entertaining with a natty line in diatribe; and the new Nicholson behind the stumps!!

Ists vs Abington - Promotion almost guaranteed

On a rare hot day of a miserable summer the Waresley pitch was finally dry enough to earn some solid runs in a first team game. Kevin Cole won the toss and elected to bat. Asque and Winn got the team off to a rapid start before Asque fell with the score on 21. Masdin then came in and batted imperiously until Jay Sz wajbak took the opportunity to go further ahead in the averages by running Masdin out! Before that

Winn's fine, but sometimes fortuitous innings came to an end when the limitations of his bat were harshly exposed!

Sz wajbak continued to another dominant half century and supported by a cheeky 40* by Blows. The last push for runs was stalled somewhat by a flurry of wickets before Cole declared on 214. The first declaration of the season.

Wickets were hard to come by on a pitch nicely prepared by Roger Bullen. Chris Asque got the breakthrough at 27 and then all bowlers pitched in with economical and hard earned wickets. B-J in particular took 4 wickets although one was from a hideous full toss! The key wicket was the running out of Webb and after that it was a very slow parade. 7 points from 2 games will ensure promotion back to the Tucker I.

Ists vs Bluntisham - Poor day out in Bluntisham

After a brilliant run of victories the Ists went to Bluntisham safe in the knowledge that, not only were they one of the best teams in the league, sitting pretty in second and chasing Foxton hard for the title, but Bluntisham were in the relegation zone, not looking good and also particularly week when trounced at Waresley earlier in the season!

Oh how this game went against the form book! Winning the toss Cole elected to field, being the safest way to ensure 20 or 25 points. After a wayward first over from Whitfield gifted Bluntisham a strong start of 13 runs he then settled down a little and took two good wickets, the first a startling low catch at slip from Cordeux., the second a routine from Warman.

Kevin Cole then replaced Whitfield and benefited with an LBW and at 46 for 3 all looked predictably rosy for Waresley.

Chris Asque again bowled a good but fruitless spell and, apart from the occasional loose ball that was punished to the short boundaries.

Buckingham-Jones and Jay Swajbak, so often this season the linchpins of the attack where runs are stifled and wickets taken, bowled 20 overs between them and with no movement off the pitch and hard hitting batsmen at the crease perhaps should have been replaced earlier as the Bluntisham batsmen were well settled hitting three large sixes off the hapless lad. This did fire Whitfield up as he took two late wickets to give his bowling figures a little more respectability.

Bluntisham, however, had notched up a more than useful 230 for 5.

The Waresley innings started

poorly with Warman out to a De Villiers-esque slip catch of dubious integrity, it went predominantly downhill from there. Chris Asque looked in touch for a while before he too was caught in the slips. Late promotion from the 2's Blows looked comfortable whilst Cordeux committed first ball harri carri with much aplomb! Both Szwajbaks and Whitfield also came and went before the first resistance came between Boshers and Blows. After a good 62 partnership Boshers fell aggressively attacking the spinner. Blows then committed suicide himself calling Lewis through for a very optimistic run and Lewis correctly sending Blows back. With a turning circle of a medium sized aircraft carrier and a direct hit from the fielder Blows was left stranded.

The match was left to be competently drawn by Lewis, Cole and Buckingham-Jones. Not a satisfactory result but Waresley still in the hunt for promotion.

Village Fete

As you can see from the advertisement below, on this Sunday the village and Cricket Club will be running the Village Fete for the second time since is revitalisation.

Nick Greenfield, amongst others, has been working very hard to

ensure we all have a great day and I for one have been inundated by emails from Vince Winn asking me to donate tombola prizes!

Last year's event was a great success and we saw a lot of club members, villagers and locals

enjoying the games, cakes, cricket and general frivolities. We urge you to come up on Sunday and enjoy the afternoon's activities.

Support your club!

We'd also like to thank some

local businesses for their generous donations: Potton Brewery for an 18 pint barrel of beer, Knibbs Butchers of Gamlingay for a meat voucher and Bookworm Bookshop in Biggleswade for book tokens. Thanks all!

CRICKET ARCHIVES: I am attempting to put together an archive of documents, press cuttings, fixture cards, score-books, photos and any other items of interest regarding Waresley Cricket Club. Any items prior to 1987 would be of

interest and those prior to 1980 even more so.

Unfortunately, most of our older records were destroyed a number of years ago when a member of the club thought they would be of no interest to future generations and consigned them to

the bonfire! We have been trying to piece together our past from press cuttings & reports and earliest reference to Waresley CC goes back to 1883 – unless you know different!

I hope to publish a history of the club in due course. If you have

any Waresley CC Scorebooks or anything of interest or have any memories of Waresley CC, please contact me on 01767 651067 or email: waresleycc@btinternet.com.

Looking Back – 125 Years Ago

By Rod Kerr

This month, time travellers, we visit 125 years back in our illustrious past, going back to the earliest recorded mention of Waresley CC.

125 Years Ago: In 1883, the St Neots Chronicle noted the following:

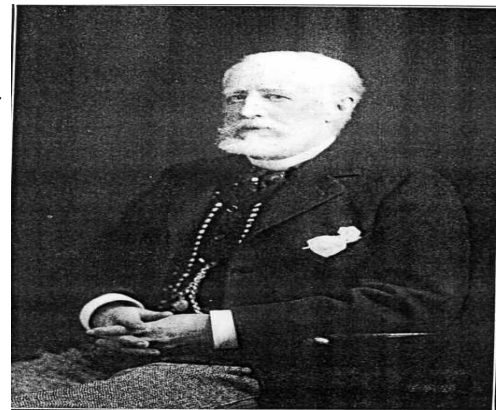

Captain (later Colonel) Walter Duncombe, the Club's first recorded president, had recently inherited the Waresley Estate from his father and, being an Old Etonian, it is possible that he

could have been keen to start a Cricket Team in his Village – no records have so far been traced prior to this date.

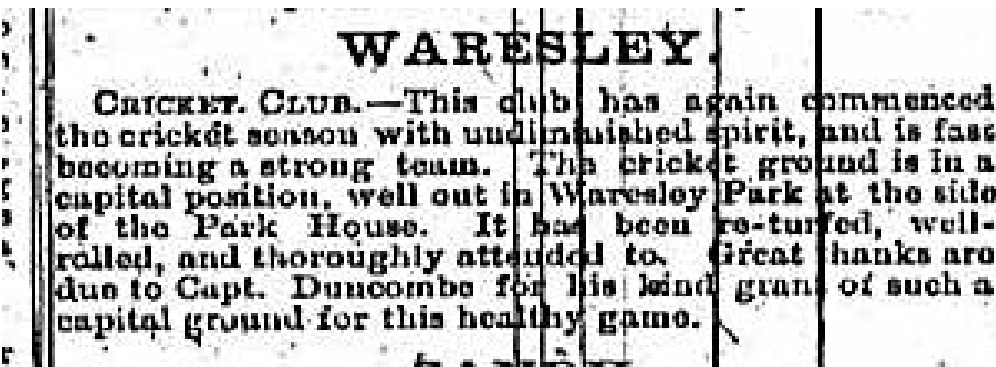

The scores of two games have survived from this season, both ending in defeat for Waresley. Away to Eltisley, the home team managed 57 & 87 in their two innings (most games in those days were two innings affairs) while Waresley mustered 44 & 28 for 2 – losing on first innings by 13 runs. The other game involved a visit to Gamlingay

where the visitors could only scrape together 14 in the first innings followed by 63 in the second. Gamlingay made 69 & 9 for 3, winning by seven wickets.

Next month we'll feature a classic in Waresley history from 1993...

Photo required for fixture list 2009!

For next year's fixture card. This year's photo was taken on an uncharacteristically sunny day at Waresley before the start of the season. If you have or want to take a photo for the fixture card then send in a hi-resolution image to the emails below and we'll pick the best. As a tip it should have the image side to the right with space for the wording and a less interesting left hand side as it forms a wrap-around on the cover.

Administration

It takes a lot of effort to keep a newsletter going. Please help us out by emailing any articles you would like to share with the Waresley CC community. Your help is very much appreciated. E-mail: waresleycc@btinternet.com or simon.blows@ntlworld.com

You are receiving this Newsletter because you are either a player, parent, sponsor, member, friend, supporter or general admirer of Waresley Cricket Club. Your support is very welcome and we look forward to seeing you at the club more often in 2008. Waresley CC is an inclusive and friendly club and if you have anything to offer we are very keen to listen.
